Policy to be Reviewed Date	11.10.2022

Ashmore Park Nursery school and Phoenix Nursery school are Local Authority maintained nursery schools and as such do not charge for sessions. Parents/Carers, however, are asked to sign to commit their nursery funding for five, three hour sessions per week, to the respective Nursery School on admission of their child.

AIM

We aim to make appropriate charges, which enable and encourage the development of a wide range of enriching activities and uses of our facilities.

PRINCIPLES

- A voluntary contribution to School Fund is requested from parents/carers and details of how this is used is reported to parents/carers throughout the academic year
- We may ask for voluntary contributions for activities wholly or partly during nursery sessions, which otherwise would be prohibited by cost. No child is excluded from any such activity on the basis of non-contribution
- Support may be available towards part or all the cost of the activity where there are financial difficulties
- We may charge where it enables an increase or enrichment of provision
- We support the development of all community groups' use of facilities through a flexible charging approach
- We offer Site Manager services to users, however, a charge would apply for this service.

Off-Site Activities and Visits

When organising school visits, which enrich the curriculum and educational experiences of the children, the applicable school will write to parents/carers asking them to contribute towards the cost. A voluntary contribution not exceeding the actual cost may be requested.

No pupil will be excluded if a voluntary contribution has not been received. If, however, there are insufficient contributions, the school may have no choice but to cancel the visit.

On Site Activities

A voluntary contribution not exceeding the actual cost may be requested. Parents/Carers may be asked to contribute towards replacing damaged or lost school property.

Extended Entitlement

Both Ashmore Park Nursery and Phoenix Nursery school offers the '30 Hours Extended Entitlement' with a charge being made to parents for provision during the lunchtime period.

If places are available, parents who will qualify for the '30 Hours Extended Entitlement' may be offered a place for their child in the term in which they are three, however, parents will pay for the additional 15 hours until they qualify for their '30 Hours Extended Entitlement' in the term following their child's third birthday.

Charges for the additional 15 hours will be at the hourly rate determined by the Local Authority. Charges for the lunchtime provision will be determined annually by the Finance and General Purposes Committee on behalf of the Governing Board.

Charges for the provision on the school site will be made on a weekly basis, but at an hourly rate. As agreed by the Governing Board, any parent/carer falling behind in their payments, for a period of 2 weeks or more will be at risk of losing the lunchtime provision.

Childcare Charges

If a child is not collected within 15 minutes of the end of the session by a parent/carer a charge will be applied for childcare. Charges for the provision will be determined annually by the Finance and General Purposes Committee on behalf of the Governing Board.

Paying for Information

Where parents/carers request copies of information under the Freedom of Information Act, the Governing Board can make a charge for providing copies of the information. This is detailed in the Freedom of Information Publication Scheme.
