**Rising 3's Temporary Revision:**

At Ashmore Park Nursery School places will not be offered to 'Rising 3's' prior to the spring term of 2022 who are not classed as vulnerable and meet the set criteria. By limiting the number of children accessing nursery to only those entitled to the provision, we are minimising contact/risk to both adults and children.

Induction processes will be reviewed, in light of guidance received from the DfE and the Local Authority regarding the COVID-19 pandemic. All efforts will be made to ensure that the induction process is managed as safely as possible, whilst continuing to allow for the nurturing of a positive relationship between home and school.
